

Save the date, and celebrate the 25th anniversary of Jeans Day™ on Thursday April 30, 2015!

Friesen Pankratz & Associates LLP is pleased to once again be a proud supporter of the BC Children's Hospital Jeans Day Campaign.

By purchasing a Jeans Day button, you are supporting the most urgent and critical health-care needs of children in BC. The funds you help raise through Jeans Day™ will help purchase urgently needed equipment, fund research into childhood illness and ensure the children of our province receive the best possible care they deserve.

We will have buttons available to purchase for \$5 starting April 7, 2015.
